Take part in HSA's member survey

October 19, 2016

HSA has contracted with Viewpoints Research to conduct a survey to find out more about how HSA members feel about how their union responds to concerns and communicates important information. The survey will include questions related to contract negotiations, workload, member communications and other current issues.

The survey will be conducted on line. Members will receive email invitations starting October 20, and the survey will be open until November 1. It takes 8-12 minutes to complete.

Your participation is important. Survey results help HSA with strategic planning on immediate and long-term needs.

Please contact David Bieber at dbieber@hsabc.org at the HSA office if you have any questions or concerns.
