HSA annual fall regional meetings schedule set

August 7, 2020

HSA's annual fall regional meetings have been scheduled for September and October 2020. Regional meetings are an excellent forum for HSA members to review the issues and activities of the past year, and discuss the opportunities and challenges that lie ahead.

All meetings will be held online. Participants will be required to join meetings through a virtual platform.

While the meetings are open to all members in the Region, only eligible delegates will receive wage replacement for the day.

Contact your local HSA steward if you are interested being elected as a delegate to the regional meeting.

To register as a member without delegate status, please contact Shannon Chartier at schartier@hsabc.org

| Region | Date | Time |
|--|---------------------|-----------------|
