HSA launches 'Climate Challenge'; show your climate action to win!

September 15, 2022

What are you doing to help fight climate change?

HSA is challenging you to show how you and your coworkers are making a difference in the climate crisis. Entering the Climate Challenge is fast, easy, and encourages others to create change as well. You'll also have a chance to win a prize!

To enter the challenge

Submit what you are personally doing to help battle climate change. Just post a picture to social media with the hashtag **#hsaclimateaction** AND send the picture to info [@] hsabc.org. You can also share what you are doing to encourage government(s) to change policies that contribute to the climate crisis.

The HSA Climate Challenge will run from September 15th to November 25th (edited: the challenge has been extended to November 25th so provide more time to win!)

Prize details

Two entrants a week will each win a \$25 gift card to a local store of their choice. When a winner is announced we'll share their post with their name and worksite on HSA's social media channels.

Entrants must be current HSA members and are limited to one entry per person. Entrants can only win one prize during the challenge.

Prize winners will be drawn randomly from all entries to date.

HSA social media handles are: @HSABC ([Facebook](#), [Twitter](#)) and @HSA.BC ([Instagram](#)).

Show your climate action and win!
