# Rally to support a coalition government

December 2, 2008

The B.C. Federation of Labour and the Canadian Labour Congress (CLC) are calling on British Columbians to support the proposed coalition government in order to ensure that Canada has a government prepared to deal with the economic crisis the country is facing.

Canadians are worried about their jobs, their savings, and their future. Right now we need all of our political leaders to work together for the good of the economy and the country.

Show your support for a coalition government in Ottawa that represents the two-thirds of Canadians who didn't vote for the Harper Conservatives.

A Rally to Support a Coalition Government is being held at Vancouver Convention and Exhibition Centre on Thursday, December 4, 2008 at 6:00pm (doors open 5:00pm).

Help build support for the rally by distributing the poster attached below.
