December 6: Ending violence against women

December 2, 2009

December 6, 2009 marks the 20th anniversary of the Montréal massacre of 14 young women at the École Polytechnique. HSA encourages members to take part in vigils and ceremonies to reaffirm our commitment to ending violence against women.

If you know of an event in your community that is not listed below, please contact Yukie Kurahashi at ykurahashi@hsabc.org. Check HSAs website at www.hsabc.org for updates to this schedule of events.

This year, HSA has been [distributing a set of postcards](#) from the National Union of Public and General Employees. Each postcard calls for a specific policy improvement that would help reduce violence against women. Contact pmccormack@hsabc.org to request a set.
