Rally December 18: Restore funding for HIV / AIDS services

December 11, 2009

On December 1, World AIDS Day, the BC government cut funding for HIV / AIDS outreach and service organizations.

If you disagree with the BC governments decision to cripple AIDS Vancouver and other community-based health organizations by cutting their funding, join with HSA members at the protest organized by cancelthecuts.org:

- Date: Friday, December 18
- Place: Vancouver Art Gallery, North Plaza
- Time: noon
- Attire: Wear RED to show your support ... look for the HSA banner and flags

For more information and to download a poster, go to cancelthecuts.org. The website also provides a sample letter (and direct links to send emails) encouraging the Premier and key Members of the Legislative Assembly to restore funding.
