Holiday greetings from HSA

December 22, 2009

Happy Holidays from all of us at HSA

In past years, the Health Sciences Association has marked the holiday season with cards of thanks and greetings to activists, colleagues, supporters and suppliers. It was our way of thanking you for the work you do with us throughout the year.

This year - as we have done in recent years - HSA instead made a financial contribution to Food Banks BC.

Food Banks BC works towards province-wide distribution of goods, helping support families throughout the province year-round. You can find out more about them at foodbanksbc.ca.

Thank you for your support, and please accept my best wishes for the holiday season on behalf of HSA's Board of Directors and staff.

Reid Johnson, HSA President
