Budget advice to the Harper government: preserve and create good jobs

February 15, 2010

The top priority for the upcoming federal budget, due to come out March 4, 2010, must be to preserve and create good jobs. The budget should also invest in building a healthier, smarter, greener and more secure Canada, says NUPGE president James Clancy.

Follow the link for the full story, including how you can participate in the national budget consultation.
