

HSA Fall Regional Meetings schedule set

July 21, 2010

The schedule for the 2010 HSA regional meetings, an excellent forum for HSA members to review the issues and activities of the past year, and to discuss the opportunities and challenges that lie ahead, has been set by the unions board of directors.

Watch your HSA bulletin board, or the HSA website at www.hsabc.org for details about registration in your region. Outside the Lower Mainland, each meeting will be followed the next day by an education workshop. In the Lower Mainland, members have three dates from which to chose education workshops: October 7, October 21, and November 2.

Registration information and forms may be accessed through the member-only resources page on the HSA website. You must be a registered user of the website to access the information. Registration is quick and easy following the three step process available on HSA's home page.
