

2011 Run for the Cure: Register today for Team HSA

July 11, 2011

This year's annual Run for the Cure, the Canadian Breast Cancer Foundation's most important fundraiser, is Sunday, October 2.

HSA has supported the run since 1997, and is one of three regional sponsors of the Run for the Cure. At every step from diagnosis to treatment and recovery, highly trained health science professionals use their expertise to help breast cancer patients.

The union urges HSA members and others to join the HSA team to run or walk for the cure October 2.

This year in BC, the run will be held in Abbotsford, Kamloops, Kelowna, Nanaimo, Port McNeill, Prince George, Vancouver, Vernon, and Victoria. Team HSA members can participate in any community: if there is no official Run scheduled for your town, HSA encourages you to hold your own event, and join HSAs virtual team.

Five HSA cash prizes ... ranging from \$100 to \$300 ... will be awarded to team members raising the most money.

To register today, visit our [Run for the Cure page](#) and follow the links to the Canadian Breast Cancer Foundations registration page.

THINK PINK WEEK September 12-16: To prepare for the run and to raise awareness of the crucial role HSAs health science professionals play in the diagnosis, treatment, and recovery of breast cancer patients, HSAs Run for the Cure Committee encourages members to participate in Think Pink Week.
