## Community Social Services Bargaining Association ratification vote extended

September 27, 2011

The lead union in the Community Social Services Bargaining Association, the BCGEU, has extended the deadline for ratification votes to take place on the proposed collective agreement reached last month. The bargaining committee unanimously recommended ratification of the agreement, and HSAs Board of Directors recommends HSA members support the terms of the agreement.

Additional opportunities to vote on the tentative agreement have been scheduled as follows for HSA members covered by the CSSBA collective agreement:

| Date            | Community      | Location                                       | Time             |
