Health science professionals bargaining survey launches: We want to hear what you think

October 12, 2011

HSA has contracted with Viewpoints Research to conduct a survey of HSA members covered by the Health Science Professionals Bargaining Association collective agreement about issues related to upcoming contract negotiations.

Your feedback is important and valuable to your bargaining committee.

If you are contacted by Viewpoints Research in the coming weeks, you are encouraged to participate in the telephone survey, which will take approximately 20 minutes to complete.

Please contact Miriam Sobrino at msobrino@hsabc.org at the HSA office if you have any questions or concerns.
