

UPDATE: RPN Tentative Agreement: Where to vote on Thursday, October 18

October 16, 2012

Health Sciences Association is conducting a ratification vote by HSA's Registered Psychiatric Nurses on the tentative agreement reached between the Nurses' Bargaining Association and HEABC.

HSA's board of directors urges HSA registered psychiatric nurses to vote "no" to the tentative agreement, as it introduces an element of two-tiered benefits, opening the door to an erosion of benefits for all nurses in the future. [See the information package here.](#)
