Labatt brewery workers need your support

August 16, 2013

The Canadian (CLC) has endorsed a national consumer boycott of the following Labatt imported products:

- Stella Artois
- Staropramen
- Stella Artois Light
- Bodingtons
- Beck's
- Bass
- Brahma
- Löwenbräu
- Hoegaarden
- Ozujsko Pivo
- Leffe

The boycott is in support of National Union of Public and General Employees (NUPGE) members on strike at the Labatt's plant in Newfoundland & Labrador. They have been on strike for over three and a half months fighting back against employer demands for concessions to their collective agreement.

The boycott outside of Newfoundland & Labrador only targets Labatt's imported products in order to prevent the brewing company's other Canadian unionized workers from experiencing any loss of work.

Please show your support by boycotting these products, and by sending a message to the company through this online petition: http://www.labourstartcampaigns.net/show_campaign.cgi?c=1867
