# Report magazine going digital

March 2, 2014

## HSA REPORT, MARCH 2014

HSA members are increasingly looking to get their information in a digital format. Whether it's email, web sites or social media, members are using desktop computers, tablets and smartphones to keep informed.

HSA is changing to meet these new needs, and starting with this issue all members will receive a digital edition of The Report by email. Make sure your email is added to our list and kept up to date – send an update to [info@hsabc.org](mailto:info@hsabc.org) or go to [hsabc.org/contact/member-contact-update-form](http://hsabc.org/contact/member-contact-update-form).

To save money and trees, we will be reducing the number of printed copies. If you'd like to keep receiving the printed edition, let us know. Contact us at [info@hsabc.org](mailto:info@hsabc.org).
