HSA conducting member poll

October 27, 2014

HSA has contracted with Viewpoints Research to conduct a survey to find out more about how HSA members feel about how their union responds to concerns and communicates important information.

Your feedback is important. Note that this is one of many opportunities allowing members to share their thoughts about strategic planning for the next few years.

If you are contacted by Viewpoints Research in the coming weeks, you are encouraged to participate in the telephone survey, which will take approximately 20 minutes to complete.

Please contact Miriam Sobrino at msobrino@hsabc.org at the HSA office if you have any questions or concerns.
