HSPBA collective agreement booklets now being distributed

April 17, 2015

The 2014 - 2019 Health Science Professionals Bargaining Association (HSPBA) contracts have been printed and are beginning to be distributed to members at worksites across the province.

Employers are responsible for the distribution of the collective agreements to every employee. If you do not receive a copy of your collective agreement, please contact your Human Resources department to receive one.

Human Resources departments may work with HSA stewards to distribute the contract booklets.

The collective agreement is also available online on the HSA website [here](#).
