HSABC 2015 CESA Fund Application

July 30, 2015

Does your organization promote and protect trade union, human, or women's rights? Are you working to eliminate inequalities in society and the workplace? Are you fighting for universal health care and the elimination of poverty or the promotion and protection of a health environment?

If so, HSA's Committee on Equality and Social Action may be able to help.

A percentage of members' union dues are set aside for the committee to support organizations doing this important work, and the call for applications is now open. Deadline for application for funding is October 1.
