HSA conducting member survey

October 20, 2015

HSA has contracted with Viewpoints Research to conduct a survey to find out more about how HSA members feel about how their union responds to concerns and communicates important information.

A representative sample of members across the province will be selected randomly and contacted by telephone. Your feedback is important. Note that this is one of many opportunities allowing members to share their thoughts about our strategic plan for the next few years.

If you are contacted by Viewpoints Research in the coming weeks, you are encouraged to participate in the telephone survey, which will take approximately 20 minutes to complete.

Please contact Miriam Sobrino at msobrino@hsabc.org at the HSA office if you have any questions or concerns.
