Join the Walk for Peace, Justice and Sustainability Saturday, June 24, 2006

The HSA Committee for Equality and Social Action (CESA) is urging all HSA members in the Lower Mainland to participate in this year's Walk for Peace, Justice and Sustainability on Saturday, June 24 in Vancouver. The walk is being held in conjunction with the World Peace Forum which was enthusiastically endorsed by delegates to HSA's 2006 annual convention in April.

HSA members will gather at 12:00 noon at Canada Place, in front of the Convention Centre ("the sails") on the Stanley Park side. Look for the HSA flags!

The walk starts at 1:00 pm and ends at 2:00 pm with a rally at Sunset Beach featuring American anti-war activist, Cindy Sheehan. The rally will include music, food, a peace and justice information fair, and children's activities.

For more information, contact Pam Bush at 604-439-0994 or pam@hsabc.org.

Hope to see you there!
