Municipal Pension Plan seminars scheduled for HSA members

The Municipal Pension Plan has scheduled seminars for HSA members as follows:

- Tuesday, March 27, 2012: Dawson Creek
- Wednesday, April 18, 2012: Terrace

Two seminars will be offered at each location, with one geared to new and mid-career members, and the other geared to members nearing retirement.

4:30 – 6 p.m. Your Pension, Your Future seminar provides information for new and mid-career members. This seminar will provide information to help you understand your pension plan, and the options your plan affords you for the future.

7 – 9 p.m. Thinking About Retiring seminar provides great information for members nearing retirement, reviewing members' options and information about how to successfully transition into retired life.

All plan members are welcome to attend, including those receiving long-term disability (LTD) benefits. Members attending the seminars are invited to a buffet dinner from 6:00 – 7:00 pm on the day of the seminar. **No wage replacement or expense reimburse is available for attending these seminars.**

MPP recommends that you bring your most recent Members' Benefit Statement to the seminars. The instructor will go over the statement during the presentations and it is helpful to have your own information available.

On-line registration is now available for these seminars. To register, go to the HSA website at www.hsabc.org and log in, click on Member Services, then Event Registration. Please note you need to log in to register for these seminars. If you have never logged into the HSA website instructions are provided on the log in page.
