Candle light Vigil

What? This event is to symbolize the loss of the EIBI programs for children with autism, the last of which will shut down as of Jan. 31st. The promise made by the Premier to put children with special needs as a priority, has been broken!

When? Monday, Feb. 1st 2010, 4:30-5:30pm

Where? The steps of the Legislature downtown!

We invite families, friends, kids, community and staff to come together to take part in this event.

WITH HELP....THERE IS HOPE
