HSA regional meeting schedule set

HSA's annual fall regional meetings have been scheduled for September and October 2012. Regional meetings are an excellent forum for HSA members to review the issues and activities of the past year, and discuss the opportunities and challenges that lie ahead.

This year, the day-long regional meeting will be followed by a day-long disability management education workshop. The workshop will be relevant for HSA stewards in all sectors, and will cover a range of issues, including sick leaves, LTD, WCB, duty to accommodate, and return to work plans.

Registration forms for the Regional Meeting, as well as the education workshop, can be found on HSA's website. You must be a registered user of the website to access the regional meeting online registration and advanced disability management meeting.

Simply follow these easy registration steps:

1. Go to www.hsabc.org
2. Go to Member Services
3. Go to Event Registration
4. Go to 2012 Regional Meetings
