## Heather Sapergia acclaimed as Region 10 Director

HSA members in Region 10 have once again elected Heather Sapergia as their representative to the HSA Board of Directors. Heather was acclaimed after the February 1st deadline passed with no further nominations.

Heather works as a Medical Laboratory Technologist at the University Hospital of Northern BC (formerly Prince George Regional Hospital) where she previously served as Chief Steward for several years.

Since her election to the Board in 2008, Heather has served on HSA's Political Action Committee, and chaired the Occupational Health and Safety Committee. Heather is also a Constituency Liaison and active in the BC Health Coalition.
