The Ombudsperson's Report on Seniors' Care in BC – Building a Community-Based Response

Featuring a presentation by BC Ombudsperson Kim Carter

Join us at a community forum on April 28 to discuss BC Ombudsperson Kim Carter's comprehensive recommendations for improving quality, accessibility, and accountability in BC's home and community care system.

Ms. Carter's recommendations were released February 14 as part of her second and final report on her province-wide investigation into "systemic issues" in seniors' care in BC.
