Join HSA at Surrey neighbourhood picnic!

Come learn about how you can support community social service workers, who are preparing for job action later this summer. HSA members will be on hand at the Surrey-Fleetwood neighbourhood picnic this weekend, talking to their neighbours about HSA and the struggle of the people who deliver the critical Community Social Services that help make our communities healthy. Those workers are preparing for job action after several months of unsuccessful bargaining for a new collective agreement.

The picnic will also feature a bouncy castle, mini golf course, henna artist, as well as lots of food and drink.

Event: Surrey-Fleetwood neighbourhood picnic
Date: Sunday, July 17, 2011 from noon to 4pm
Place: Fleetwood Park, 15802 80th Avenue, Surrey
