Vancouver Pride is in the final year of a three-year theme

This year you - our Union Activists - will **celebrate** all you have accomplished and all you have **liberated!**

**Celebrate** your WINS...

- ▲ You fought Workplace Discrimination
- ▲ You fought for Same Sex Benefits
- ▲ You fought for Safe Workplaces
- ▲ You fought for Same Sex Marriage
- ▲ You fought to be named in our Human Rights Legislation

We will **celebrate** all your continued actions leading Social Justice.

**Celebrate** your continued fight...

- ▲ Your fight to Stop Bullying
- ▲ Your fight to breaking down hetero assumptions about parenting
- ▲ Your fight to broaden representation of gay and trans people in mainstream media
- ▲ Your fight to promote gay-straight alliances in all schools
- ▲ Your fight for Gender Expression and Gender Identity to be included in Human Rights Legislation
- ▲ Your fight to Empower Youth
- ▲ Your fight for the Rights of Gay Seniors

Union Pride openly celebrates our diversity, and we celebrate for those who continue to fight for liberation around the world.

At Pride, we dance for those who can't dance with Pride, we sing for those who are silenced and oppressed.

At Vancouver Pride we celebrate with you and for you.

In solidarity and pride,

Your  **MultiUnion Pride Volunteers**
